PRODUCT

Our qickly® cabinet and shelving system impresses with its 45 degree miter and ABS edge in multiplex look. The body color is white melamine. This ultra-modern design makes classrooms and offices a real eye-catcher.

qickly® shines in both schools and offices thanks to its ample storage space and mobility.

Start planning your individual cabinet and shelving system now or simply expand your existing system.

One carcase - many options, whether shelves, doors, boxes or castors, qickly® leaves nothing to be desired

The material thickness of the walls and shelves is 19 mm, the fixed rear panel is 8 mm thick and guarantees a high level of stability.

As the name of our product range suggests, the qickly® cabinet and shelving system impresses with its fast delivery. The carcass is delivered to you disassembled including assembly instructions for self-assembly.

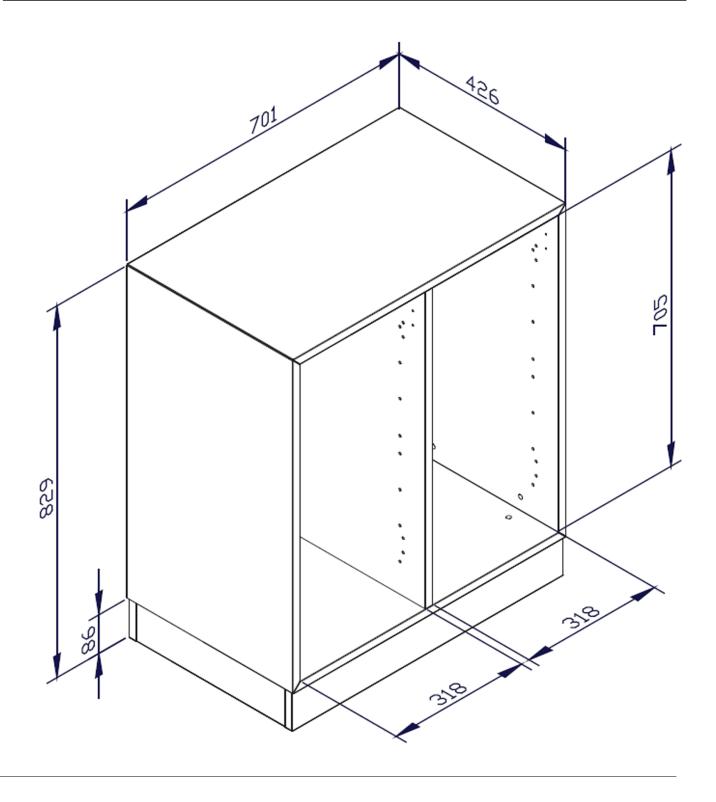

qickly® - Smart. Fast. Simple.
